

District Goals 2021-2022

- 1) Hoosic Valley Central School District will provide weekly communication, at the start of the school year, to the staff and then the community regarding the health, safety and school operations during the 2021-2022 in person school year. Following the start of the school year, communication will be as needed.
- 2) The District will ensure that one hundred percent of the student body will participate in at least one extracurricular activity for the 2021-22 school year.
- 3) The District will implement a benchmarking system to assess all students and provide staff time to analyze, share and effectively utilize the data to drive instruction to increase student achievement.

BOE Goals 2021-2022

1. The Board of Education will approve a fiscally responsible Capital Project to ensure the future needs of the Hoosic Valley school community are met.
2. The Board of Education will conduct a Superintendent search and appoint a new Superintendent no later than June 2022.
3. The Board of Education will approve the Portrait of a Graduate project by June 2022.
