

# **HOOSIC VALLEY CENTRAL SCHOOL**

**26<sup>th</sup> Annual  
Academic Awards Ceremony**

**June 6, 2023**

**6:00 pm**

# 2023 Undergraduate Awards

Each year members of the Junior Class are encouraged to explore Junior Awards available on the Naviance Platform. These awards are offered from several colleges and universities and have various criteria, including an interest in a program available at the college.

**Rensselaer Polytechnic Institute**

*Sophia Squires*

**Society of Women Engineers NYS Capital District Certificates of Merit:**

*Katrine LeStage*

*Sophia Squires*

## Teacher's Choice Awards

**Lane Carner** (Mrs. Leach): Lane Carner is an exceptional student. While overcoming some personal challenges, Lane remains a ray of sunshine in the classroom, as well as a diligent and talented worker. Lane's enthusiasm is infectious and his positive attitude sets him apart from most students I've come across. When Lane talks, you can't help but smile along. It's almost as if he can't enter or exit a room without greeting you and wishing you well. He will be missed at Hoosic Valley, but I'm sure he'll be great wherever he goes!

**Helen LeStage** (Ms. Pieras) Helen is a truly wonderful student. She strives to go above and beyond on every single assignment and cares deeply about the quality of her work. She always looks for opportunities to contribute to class and is open-minded. While being an extraordinarily thoughtful class participant, she encourages her classmates to think creatively, pushing the whole class to look at things in an insightful way.

**Amelia Stannard ( Mrs. Akin)** - Amelia consistently puts forth her best effort in math class. She works to not only complete an assignment well, but also truly develop a deep understanding of the content. Amelia goes above and beyond each task assigned, and strives to improve each day. We always can count on Amelia to participate positively to the classroom environment and discussions, and to help her classmates, when an opportunity arises.

**Connor Bedard and Bradley Wolff (Mrs. Roberts)** These 2 students have exceptional focus, impressive initiative, and great time management. They have learned how to learn on their own. They both speak volumes with their character even though they rarely speak out loud.

**Cassandra Trombley** (Ms. Dinallo)- Cassandra has demonstrated consistent personal best and effort on a daily basis. She is often respectfully participating in class discussions and is helpful to her classmates.

**Andrea Sassatelli** (Mr. Dorman) Andrea is a hardworking, driven and enthusiastic person. In addition, she is a gifted writer who has the ability to analyze history while incorporating a brilliant writing style. Andrea has a very bright future ahead of her academically as well as athletically. It has been a pleasure to teach her these past two years.

**Laura Rice** (Mr. Dorman) Laura is an extremely hard working student who strives for perfection. Laura excelled in all aspects of Social Studies. It has truly been a pleasure to teach her.

**Lainey Bochette, Helen LeStage, Kaylee Smith, and Joni Chapko** (Mr. Struwing) Lainey, Helen, Kaylee and Joni have earned the Teacher's Choice Award for their exceptional daily effort and work in DDP. Their technical drawing work is outstanding and shows great attention to detail. Their ability to independently solve each drawing challenge is truly impressive. Their work is among the best I've seen in my years at HV.

**Andrea Sassatelli** (Mr. Struwing) Andrea has earned the Teacher's Choice Award for her exceptional daily effort and work in 8th Grade Tech. Her technical drawing work was outstanding and showed great attention to detail. That effort was also evident during the bridge building and CO2 car design challenges. She is always polite, respectful, and helpful to her classmates. Andrea's positive attitude made her a pleasure to teach.

**Chris Tracy** (Mr. Struwing): Chris has earned the Teacher's Choice Award for his exceptional daily effort and work in both Production and Residential Structures class. His work is always outstanding and shows great attention to detail. It has been a true pleasure working with Chris for the past 3 years. I will miss our daily discussions and debates.

**Zane Briggs** (Mr. Myott) Zane brings a positive work ethic and great sense of humor to every class. He has the perfect blend of light heartedness and hard work that is rare in a student. He always asks great questions and produces great work.

**Chris Tracy** (Mr. Myott) Chris is wise beyond his years. He is a pleasure to teach and is the type of student that challenges us to be better teachers!

**Gracie Conover** (Mr. Myott) Gracie is such a joy to teach. Her smile and overall enthusiasm for school and life is contagious. Thank you Gracie for making teaching fun.

**Kayleigh Knickerbocker** (Mr. Myott) Kayleigh embraces every aspect of Spanish Class. She is willing to try any speaking or partner activity and has a real talent for Spanish.

**Ashleigh Herrington** (Mr. Myott) Ashleigh is a great Spanish Student and always impresses me during speaking and partner work. She jumps into every activity head first and is an example for the rest of the class.

**Lane Carner** (Coach Lilac) Lane is a young man who has meant so much to everyone at Hoosic Valley. His infectious personality makes everyone want to gravitate toward him, even peers who are not in his closest circle of friends. Lane is kind, thoughtful, caring, intelligent, motivated, enthusiastic, and - most importantly - he is authentic. It's hard to imagine one displaying all of those characteristics while still staying true to who you are at your core. Lane has done exactly that. His family, friends, and the HV community should be bursting with pride for having the ability to now share someone as special as Lane Carner with the rest of the world as he takes his next step in life.

**Ethan Meeks** (Ms. Cosey) Ethan is an outstanding musician and a dedicated, motivated, and hard working student. He constantly pushes himself to improve, and his time and talent is evident each time I hear him play. He is a cheerleader for the Band and a wonderful role model for our younger musicians. I am grateful to have him as part of our Band program.

**Sophia Squires** (Ms. Morizio) Sophia is an incredibly talented, hardworking, and dedicated student. This year in chorus she led warmups, ran sectional rehearsals, and accompanied the chorus at the winter concert. She shows outstanding leadership and goes above and beyond to help our chorus succeed. Sophia is an absolute joy to teach and an incredible role model for her peers.

# Technology

## **Technology 7**

**Mr. Hurd**

OS: Sophie Mulford
