

**HOOSIC VALLEY CENTRAL SCHOOL DISTRICT  
BOARD OF EDUCATION GOALS  
2019-2020**

Mission Statement

Hoosic Valley Central School District promotes excellence in education through a positive, student-focused, community-oriented environment where everyone shares a responsibility for student learning.

| <b>TECHNOLOGY AND 21<sup>ST</sup> CENTURY TOOLS</b>  |
| The District will provide professional development, library resources and technology tools so teachers will design quality instruction, which enables all students to expand 21 <sup>st</sup> century connections to the global community.   |
| <b>PREPARATION FOR THE WORKFORCE</b>   |
| The Board, Administration, and Staff will consider input from the community, area colleges, and business groups, and will review and revise course offerings or programs to engage and motivate all students upon graduation.  |
| <b>ENRICHMENT AND EXCELLENCE IN EDUCATION</b>  |
| School principals and school teams will develop an action plan utilizing data-driven instruction to offer a rigorous and creative curriculum, which targets technology, 21 <sup>st</sup> century skills, and enrichment opportunities for all students as measured by student achievement. |
| <b>PROMOTE SAFETY AND WELLNESS IN OUR SCHOOL COMMUNITY</b>   |
| The Board, Superintendent, administrators, teachers, and all members of the school community will support systems and experiences, which lead to healthy practices and create a safe, respectful environment for all.  |
