

Dear Parent(s)/Guardians(s),

Your district utilizes Questar III BOCES for Home Instruction Services.

The regulations and requirements for Home Instruction in New York are available through our website:

<https://www.questar.org/services/educational/home-instruction-services/>

At the bottom of the Home Instruction website, there are links to templates for the information required at each step of the way. Information sent through the online portal comes directly to us and generates a dated copy/receipt for you.

If using the online portal does not work for you, required information may be emailed or mailed to Home Instruction at either of the addresses below. Please make sure to include your home district in any communications.

Contact us if you have any questions or concerns.

Sincerely,

*Home Instruction Services*
